

## **PROFESSIONAL LEVEL RESEARCH PROJECTS (RESEARCH AND INNOVATION MODALITY, SEMESTER I, WEEK I, AND OTHER PROGRAMS IN WHICH RESEARCH PROJECTS ARE DEVELOPED)**

Tecnológico de Monterrey alumni are invited to register their research work, whether concluded or in process, developed during semesters August-December 2018, January-May 2019 or August-December 2019, and during their research internship at the Tecnológico de Monterrey Research and Innovation Modality, as well as Semester I, or Week I, or any other research project development program. Send a 250 to 500 word resumé, together with a PDF of the project report and the tutor's letter endorsing the application.

The proposal deadline for the Professional Research Projects is Monday, **October 21, 2019**.

Registration is available online via the Congress website: <http://prod400azws03.southcentralus.cloudapp.azure.com/cidtec>

Accepted proposals will be presented by alumni during the Professional Research Project Plenary Session or during the Poster Presentation Session on Friday, February 28, 2020, at the Monterrey Campus Student Center.
