

RESEARCH FAIR

Researchers and Strategic Focus Research Groups are invited to participate in the Research Fair during the 50th Research and Development Congress that will feature the highest impact projects and research prototypes that are being generated within the Institution.

This activity will provide researchers with a space to display their research results in a way that is both practical and accessible. The aim will be to share research results with the community and generate new collaborative networking with students, colleagues and the industry.

Proposal submission deadline is Monday, **October 28, 2019**.

Registration is available online via the Congress webpage:
<http://prod400azws03.southcentralus.cloudapp.azure.com/cidtec>

THE RESEARCH FAIR will take place Thursday, February 27, 2020, at the Monterrey Campus Congress Center. Each accepted project leader will have access to a stand to display their project; it will measure one square meter and will be equipped with access to an electrical power source, two electrical plugs, a table, and two chairs.

Participants will set up their stands during the afternoon and/or evening of Wednesday, February 26, 2020; there should be someone at the stand at all times for the duration of the event on Thursday, February 27. Handouts and any other kind of information can be offered to those attending the event; researchers are responsible for preparing and printing the material of their choice.
